Sample Trainer Bio: English Language in Panama

The instructor is an experienced teacher and interpreter of both English and Spanish and is a licensed professional interpreter from the Bureau of Government and Justice of the Republic of Panama.

The trainer teaches groups and private classes, starting by establishing student goals, working with articles as talking pieces, correcting errors in speech, and assisting in pronunciation and accent reduction. The instructor likes to work with images to build immediate associations with new vocabulary; lessons may include interactive activities and role play scenarios. The instructor is very qualified in group dynamics through experience as a coach.

The trainer is bilingual in English and Spanish, holds a Bachelor's degree in English with an emphasis in Translation from the Universidad Latina de Panama, and has a leadership coaching certification from the University of Georgetown in the United States.
